STYLISH & STUNNING

Signature DOORS

for instant kerb appeal

Introducing our brand new Signature range, the all aluminium composite door.

Whether you're seeking a modern, traditional, or classic front door, or even a new back door, we have it all covered in our comprehensive range. With a vast selection of colours, accessories, and glazing designs, you have the freedom to customise their door to perfectly match your preferences.

But that's not all - our Signature Doors come with top-notch safety and security features, ensuring peace of mind while offering long-lasting performance. Get the perfect blend of style, safety, and value with our Signature Door range.

✓ Unbeatable Security

Our Signature Doors have been designed to provide the ultimate in safety and security, protecting your family and your home.

✓ Outstanding UV Resistance

Our high-quality powder coating process means your door will stay bright and vibrant for longer. It won't ever fade, rust or need re-painting.

✓ Virtually Maintenance Free

Simply wiping your door and frame with fresh water and a light detergent once a month is all that is needed to prevent the build-up of dirt.

✓ Strong and Durable

The strong and durable powder coat finish will be much more resilient to chips, scuffs and scratches than painted doors.

A STYLE FOR EVERY TYPE OF PROPERTY

From sleek and modern to timeless and classic, we've curated a variety of designs to suit every style preference while ensuring maximum security. Whether you're looking for a front or back door, our Signature Door range offers the perfect solution for your needs.

Experience unmatched security!

Anti-Drill

Hardened steel anti-drill pins are located at each side of the cylinder. All moving pins are also nickel-plated hardened steel (50 HRC maximum).

Anti-Snap

A 'sacrificial' zone is created to ensure that if the lock is snapped, an intruder cannot gain access to the inner workings.

Anti-Pick

The locks are made in such a way that they are almost impossible to pick.

Combinations

Over 80,000 different key combinations

3-Star Rating

Our cylinders have been awarded a 3 star rating, which means they have passed all of the criteria of the TS007 British Kitemark.

Anti-Bump

It is not possible for an intruder to 'bump' the pins above the shear line to gain access.

Center Latch and Deadbolt

Spring loaded centre latch providing a tactile resistance and a deadbolt offering maximum resistance to forced entry.

Top and Bottom Deadbolts

Hook bolt with dual round bolts offering maximum resistance to forced entry.
